## USER MANUAL

*The pictures, diagrams, and certain functions described in this manual may differ from the actual product due to different models*

Visit [www.hittusa.com](http://www.hittusa.com) to download user manual or check FAQs  
and troubleshooting tips

## PREFACE

We express our sincere thanks for purchasing our MP3 Player! Before operating this MP3 Player, be sure to read this user manual carefully. After reading it, please keep it in a safe place for future reference.

We reserve the right to make changes to this MP3 Player and/or this user manual without notice. Please visit our support website [www.hittusa.com](http://www.hittusa.com) for additional product information and/or updates.

**NOTE:** The pictures, diagrams, and certain functions described in this manual may differ from the actual product due to different models.

## SAFETY AND GENERAL INFORMATION

### READ THIS INFORMATION BEFORE USING THIS MP3 PLAYER

- A. Loud music may harm your hearing if you listen to it for a long time.
- B. New battery can reach its best performance after it has completely charged and discharged for two or three times.
- C. Please charge the new battery for no less than 10 hours for the first three times you are charging, then from the fourth time on, just charge it for six hours and it can reach its best performance.
- D. Do not operate this MP3 Player in extremely cold, hot, dusty or damp environment.
- E. Avoid putting this MP3 Player under direct sunlight
- F. Do not scrub this MP3 Player with a hard object; it may result in scratches on the screen and/or damage to the hardware. Use a damp cotton cloth to gently wipe the shell of the player. Using other chemical cleaning solutions is strictly prohibited.
- G. Keep this MP3 Player and all accessories out of children's reach under 3 years old.
- H. Charge the MP3 Player when:
  - The battery capacity icon is empty and flashing
  - The MP3 Player powers off automatically, immediately after it is turned on.
- I. Avoid operating this MP3 Player under very dry environment to prevent damage from static-shock.
- J. Do not disconnect the USB cable while formatting, uploading or downloading files; disconnecting USB cable will result in file corruption and may require reformatting – resulting in data loss.
- K. When used as a removable disk, users should backup important data. Our company is not responsible for loss of data.
- L. This MP3 Player does not have any user-serviceable parts or accessories. DO NOT TRY TO DISASSEMBLE THIS MP3 Player. Use an AC charger with 5V & 500mA output.
- M. Use battery charger and accessories permitted by the manufacturer. Using other accessories or charger may be a safety hazard or affect product performance and/or void product warranty.
- N. Please properly dispose of the obsolete player and its accessories following your local environmental laws.
- O. If you have any problem using this player, please visit [www.hittusa.com](http://www.hittusa.com) or email [help@hittusa.com](mailto:help@hittusa.com) for help

**NOTE: Please charge the player for at least 10 hours BEFORE first time use.**

## NOTES REGARDING FCC COMPLIANCE

Users are not permitted to make changes or modify the device in any way. Changes or modifications that are not authorized by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- This device may not cause harmful interference, and
- This device must accept any interference received, including interference that may cause undesired operation.

## LIMITED 90-DAY WARRANTY

**Coverage:** Hi-Tech Trading (USA), Inc. (“HiTT”) warrants this product (“product”) against defects in materials and workmanship under normal consumer use for 90 days from the date of purchase. HiTT, at its option, will at no charge repair, replace or refund the purchase price of this product should it not conform to this warranty. This limited warranty is a consumer’s exclusive remedy, extends only to the first consumer purchaser, is not transferable and is valid only on products purchased by consumers in the United States or Canada.

**Exclusions:**

**Normal Wear and Tear:** Periodic maintenance, repair and replacement of parts due to normal wear and tear are excluded from coverage.

**Batteries: During warranty period,** only the batteries whose fully charged capacity falls below 80% of their rated capacity or the batteries that leak are covered by this limited warranty.

**Miscellaneous:** This warranty does NOT cover defects or damage that result from: (a) improper operation, storage, misuse or abuse, accident or neglect, such as physical damage (cracks, scratches, etc.) to the surface of the Product resulting from misuse; (b) contact with liquid, water, rain, extreme humidity or heavy perspiration, sand, dirt or the like, extreme heat, or food; (c) use of the Product for commercial purposes or subjecting the Product to abnormal usage or conditions; (d) service, installation, alteration, or modification in any way by someone other than HiTT and, (e) other acts which are not the fault of HiTT.

**Obtaining Service:** To obtain service or information, please send email to [help@hittusa.com](mailto:help@hittusa.com). You will receive instructions on how to ship the Product, at your expense, to a HiTT Service Center. To obtain service, you must include a copy of your receipt.
